

PRAYER TO GOD - VERY
DIFFICULT & URGENT CASES

Lord in heaven, my Father I am loved by those who treat me with kindness and understanding Give me a helping hand if I fall. You take care of me every day, from sunrise to dusk. I know that you will always be there to protect, support, and keep me safe. Take me into your arms, and give me your peace.

Receive my appreciation for everything you have done for me Thank you for all that you do every day. I might not suffer, may feel no pain, and may not have to endure hardship. I pray for your continued presence in my life. Your faith will strengthen me and my love.

And grant me the strength to walk steadily. The path to truth and justice Despite all obstacles and darkness Despite all obstacles and difficulties Holy Father of infinite mercy Let your ear hear what I say when I'm sad... Your words inspire me with courage and confidence When problems

interfere with my life They are too much for me to bear.

Your unimaginable grace may never leave me That I don't lose my way or lose my heart. Your immeasurable good health may be yours Give me the protection, help and support I need. This is a difficult and urgent issue This is what bothers me most and keeps me up at night.

(Make the request with great faith).

You are aware, Lord, of how difficult it is for you to do this. I beg You to grant me the ability to move forward. To get out of the bad times that oppress me. I beg You to help me get out of this terrible moment in my life.
