

PRAYER TO THE SACRED
HEARTS OF JESUS ASKING FOR
A MIRACLE HEALTH

Jesus Christ the Lord, Who said:
"Ask for and you will receive,
search and you shall find." I will be
prostrate before thy divine feet,
with living faith and trust in the
promises made by Thy Sacred
Heart.

I am writing to you to thank you for
your kind help.

(Here you silently request what you
want to receive).

Whom can I turn but to Thee,
whose heart is an endless spring of
all types of graces and merits

The treasury is the only place I can
find it. It contains Thy bounty and
grace,

Do you know where else I can
knock than at the door that leads to
God?

I turn to Thee, the divine Heart of
Jesus Christ, for refuge. I find
comfort in my troubles, protection
when I'm persecuted, and strength
when I'm crushed by great trials. I

have light in my darkness and in
my doubts.

I believe in my Jesus that you will
pour out the grace I need on
me. Even if it takes miracles.

All you have to do is wish and your
prayer will be answered.

My Jesus, I admit that I am not
worthy to your favor. But that does
not mean that you should
discourage me.

You are the God who is merciful
and won't reject any broken or
humiliated heart that believes in
you.

Your merciful heart, I beg you to
grant my request in spite of my
weaknesses and needs.

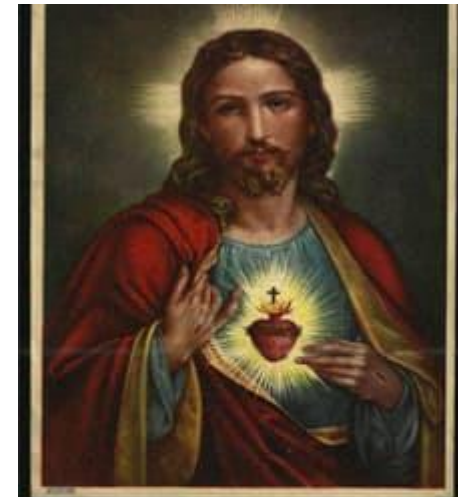

Whatever your decision, O Sacred
Heart Jesus. I will continue to
worship You, praise You, love You,
and serve You as long as I am
alive.

Accept this complete obedience to
Your loving heart, Lord. Your
commands, which I desire to be
honored and obeyed by all

creatures, are my earnest
prayer. All creatures.

Amen.

Pray the Creed. Our Father and
Glory to God.
